Begin with a [magic circle](#) and a 4mm hook

**Round 1:** Ch 4 (*counts as 1tr + ch 1*), [1tr, ch 1] 11 times, join with sl st to 3rd chain of initial ch-4. Fasten off

**Round 2:** Join new colour in any ch-1 space. Ch 2, 1tr, 1ch into same space (*counts as 1st 2tr cluster + ch 1*), [2tr cluster, ch 1] 11 times, join with a sl st into top of first tr. Fasten off. *Circle will begin to curl*

**Round 3:** Join new colour in any ch-1 space. Ch 3, 2tr into same space (*counts as 1st 3tr group*), [3tr into next ch-1 space] 11 times, join with a sl st into 3rd chain of initial ch-3. Fasten off

**Round 4:** Use 3.5mm hook. Join new colour in any stitch, Ch 1 (*counts as 1st dc*), dc into each stitch around, sl st into last stitch, join with a sl st to initial ch-1. *This is to create a slight curve to fit around the hanging part of the bauble*

**Round 5:** Using same colour, repeat round 4. *Do not fasten yarn on the second circle but sl st across 2 stitches to left hand side of curve*

Darn ends. Place circle wrong sides together, aligning curves. Sl st through both loops around the circle to join. Insert bauble half way and align hanging part of bauble with the curve. Finish joining just to the right of the hanger. Darn end, and add a hanging loop with yarn if desired.
